Informative(s):

- 1 Reasons for granting permission.

The proposed fascia sign is considered acceptable in terms of design and location. The sign is level with the adjacent unit 185 Gray's Inn Road and complements the host building, character and appearance of the Bloomsbury Conservation Area.

The sign would not be illuminated which is in line with Camden Planning Guidance and the location of the signage would not harm neighbouring amenity. The proposal therefore raises no public safety concerns nor would it be harmful to pedestrians or vehicular safety.

The application site's planning history was taken into account when coming to this decision.

If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall,

Argyle Street, WC1H 8EQ.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

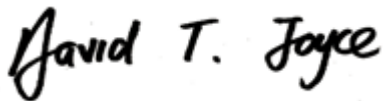

As such, the proposal is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with The London Plan March 2016 and the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
