2016/6411/P	J Campbell	39 Gondar Gardens	20/02/2017 09:25:43	COMMNT	This looks like full up accommodation to me, given shower, basin and toilet. Spare bedroom, or room for nanny, perhaps? Services will show a lot - mains drainage and water, heating and hot water. I am very opposed to having anything but 'garden sheds' at the bottom of the gardens.
