2016/6697/P	Trine Pillay & tim Vance	186a goldhurst terrace nw6 3hn nw6 3hn	16/02/2017 16:28:01	OBJEMPER	We're concerned that the building work will be hugely disruptive for the street. Internal works, lofts and extensions don't worry us it's the impact of a large basement that does as that scale of excavation will rock the entire street. I have a six month old baby at home so we will be home during the day
