2016/7061/P	Hong Gyun Mok	Fish Plaice 32 Museum Street London WC1A 1 LH	16/02/2017 19:07:54	OBJ	<p>I object to the planning application to turn the hotel into 6 flats. It goes against Camden Planning Policy DP14.</p> <p>We are a local business and it would be harmful for our business to lose many customers, as residents of 6 flats will not bring as much money to the local economy.</p> <p>I know of other tourist properties that are also being converted into flats, the loss of people staying in this area will have a long-term negative impact on all local businesses.</p> <p>Please reject this application.</p>
2016/7061/P	Nyein Wynn	21 Hobart Crescent Milton Keynes MK15 9HH	15/02/2017 18:31:19	OBJ	<p>I am a frequent client of The Ruskin Hotel. I choose to stay there as it is a convenient location when meeting with my business clients who are based in Bloomsbury and Clerkenwell area as well as clients in Soho and Covent Garden. It offers very affordable accommodation and a personal service.</p> <p>I have been advised by the manager of the hotel as to the uncertainty of the hotel's future. Should this hotel cease trading, it would be highly inconvenient for people like myself as I travel for business as a single female and I do not believe there is another hotel in the same location that is affordable and can provide me with the same level of security and customer service.</p> <p>I object to the plans for turning it into flats and believe it would be more beneficial to the area for it to remain open as a hotel.</p>
2016/7061/P	David Lowes	107 South Court Avenue Apt 303 Memphis TN USA	15/02/2017 19:23:46	OBJ	<p>I object to the plans for closing down of the Ruskin Hotel.</p> <p>I live in Memphis and visit London often. I have been staying at the Ruskin for the past 10 years for all my visits. The location is perfect for tourists and you would not be able to find another hotel in the vicinity which has the same level of accommodation at the competitive prices they offer. This hotel ticks all the boxes necessary for anyone looking for a clean, central, affordable hotel to stay in London.</p>
2016/7061/P	Kiran Shah	40a Museum Street London WC1A 1LU	16/02/2017 14:16:55	OBJ	<p>I object to the application to turn the Hotel into 6 residential flats.</p> <p>I think it would be bad for the area to lose a business that brings many visitors to Bloomsbury who then spend money in the local economy. Businesses like mine depend on tourists to keep us going and the area would be much worse off if these visitor accommodation were closed down, forcing tourists to stay elsewhere.</p> <p>Costs associated with running any business in this area are very high and so we need all the help we can get to try and run a successful business. Having less tourists stay in the immediate area does not help at all.</p> <p>I urge you to reject the application to turn the hotel into residential flats.</p>
