A	08.15	gen	amends		

- NOTES:**
- Do not scale from this drawing. All dimensions must be checked on site. The contractor must verify all the dimensions, coverings, heights & specifications. Any discrepancies must be reported to the architect for their design prior to any commencement of work.
  - All specified items are to be installed in accordance with the manufacturers recommendations & instructions.
  - All fixtures are to conform to required current building regulations.
  - Contractor to verify all the dimensions and report any discrepancies with the designer before proceeding with any work.
  - All materials of construction must be approved by the designer to be approved before commencement of any work.
  - Contractor to provide a working environment which conforms to current health and safety and local authority requirements.
  - All fixtures to be certified to a high standard.
  - It is the main contractors responsibility to ensure all CDM notices of practice are endorsed.
  - This drawing to be read in conjunction with any relevant applicable conditions relating to noise, structural engineer, MCHM equipment, lighting etc.
