The Council has considered your application and decided to **refuse** planning permission for the following reason:

Reason for Refusal

- 1 The proposed third floor rear extension, by reason of its design, bulk, scale and location, would be detrimental to the character and appearance of the building, the terrace as a whole and the Camden Town Conservation Area, contrary to policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 (Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies.

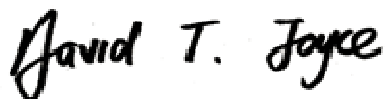

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
