2017/0555/P	Eric Stuart	68 Neal Street London WC2H 9PA	21/02/2017 22:56:27	COMMEMP ER	I did not see in the application the specification that the replacement windows are to be made of timber (or may have missed it if there). If not part of the application, it should be a requirement that the replacement for the timber windows are also made of timber given the nature of the property and the contribution to the conservation area.
