2016/6699/P	Diarmuid O'Hegarty	48 Canfield Gardens London NW6 3EB	22/02/2017 18:17:17	COMNOT	<ol style="list-style-type: none"><li>1) The developers have yet to submit and receive approval for detailed plans for the construction and piling of the tower block. Condition 31 requires this approval before any decision is made.</li><li>2) The application includes new material, not included by the developer previously, such as closures to the market and access to Swiss Cottage tube. This application ought, therefore, to be re-registered as a 'variation' and not as a 'discharge'.</li><li>3) In view of the loss of trust in Camden Council's handling of this application, following the e-alert system failure, independent expert verification of all planned construction details of the development should be required before any decision is made</li></ol>
