Dear Fabio,

RE: 5 Flask Walk, London, NW3 1HJ (AoD)

Please see the attached confirmation of registration letter for your submitted approval of details application.

I note that at the moment the only supporting information submitted is an image of the proposed material for the unit's flooring. As condition 3 required the submission of '*Manufacturer's specification details of all facing materials for the replacement floor finish*' may I please ask that you send over some additional information? We would usually accept web pages / brochures of manufacturer's specification details for these sorts of conditions? Rachael and I would then be in a position to take a view on the proposed material.

I am just going through your submitted FUL/LBC applications for the same site and will aim to get these registered today.

Kind regards,
