Informative(s):

- 1 The host property sits within a short terrace of Grade II Listed former almshouses, many of which have been significantly altered over the years. Minor internal alterations are proposed to remove a built-in cupboard to the right hand side of the existing chimney breast within the front room at first floor level. Existing characteristic corner cupboards are proposed to be retained. The cupboard is of limited architectural and historic interest and as a result the proposals are not considered to harm the special character of the listed building

No objections have been received prior to making this decision. The site's planning history was taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP25 of the London Borough of Camden Local Development Framework Development Policies, and policies D1 and D2 of the Camden Local Plan Submission Draft 2016. The proposed development also accords with policy 7.8 of the London Plan 2016, and paragraphs 14, 17 and 126-141 of the National Planning Policy Framework.
