The Council has considered your application and decided to grant permission subject to the following condition(s):

Conditions and Reasons:

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

E01 Revision B and 04-01.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The existing shopfront is modern and of no particular merit. The proposed design re-instates the stall riser (a separate advertisement application seeks to reduce the size of the fascia) which is considered an improvement to the existing shopfront. The proposal is considered acceptable in design terms.

The proposal is not harmful in terms of impact on residential amenity as there is no overlooking or loss of light resulting.

Considerable importance and weight has been attached and special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under and s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

Press and site notices were displayed. No objections have been received prior to making this decision. The site's planning history was taken into account in coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies and policies A1, D1 and D2 of the Draft Local Plan 2016. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
