Dear Ms.Meynell,  
Apologies for late submission, which I have to fit into so many other things, work and locally.

Hampstead CAAC objects to the following aspects of this proposal:  
There are too many rooflights and they are over-large. This adds to light pollution which it is our aim to help reduce.  
Full width extensions are not welcome in general although there does not appear to be much impact on the neighbours.

Regards,  
John Malet-Bates
