Dear Planning Team,

“Re: KT Auto Services, [107E Bartholomew Road, Kentish Town, London, NW5 2AS](#) (“the Property”)

Application for planning permission on behalf of MBNL

We have received the attached letter from GVA on behalf of MBNL notifying us that an application has been made for planning permission in respect of the Property of which I am the freehold owner.

Please note that I object to the application in principle and I will provide detailed reasons for my objection once I have been sent a copy of the application.

In addition, although the letter states that the application was submitted on 15 February 2017 neither the application nor any supporting documentation is available via the planning portal of the Council’s website. Please can you let me know once the planning application has been submitted?

I will also contact GVA to also request a copy of the application by return.

Please register my objection to this planning application.

Regards,

Alan & Julie Tuffrey
