2017/0605/P	Helen Highet	Flat 10 63 Haverstock Hill NW3 4SL NW3 4SL	26/02/2017 14:52:48	OBJ	I should like to object on the following grounds: 1. covering a large portion of the garden thereby reducing natural soakage 2. removing the view of the garden which is an amenity and an attractive selling point 3. the potential of undermining the foundations of this tall building on a hill 4. the removal of established trees 5. by increasing the number of flats it will potentially increase the number of cars needing parking nearby. Parking spaces are already in great demand.
