BY PLANNING PORTAL

Dear Jonathan

28 DENMARK STREET - PLANNING APPLICATION FOR A REPLACEMENT SHOPFRONT

On behalf of the tenant, Sixty Six Sounds, please find enclosed a planning application for the replacement of the existing shopfront at 28 Denmark Street with a new shopfront, replacing what is an unattractive later addition with a high-quality commercial frontage which much better reflects the original design intention of this building.

The following information is submitted in support of this application:

- Red line plan;
- Existing and proposed plans and elevations;
- Photographs of the existing shopfront;
- Photographs of the historic shopfront;
- Computer Generated Image (CGI) of the proposed entrance;
- Cheque for £195 made payable to the London Borough of Camden.

I trust the enclosed is sufficient for your current purposes but please do not hesitate to call or email me if you require anything further. In the meantime, I look forward to receiving confirmation that the application has been validated.

Yours sincerely,

Anna Snow
