Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
Crossrail Farringdon Station
Eastern Ticket Hall
Cowcross Street
London
EC1

Proposal:

Request for observations from the London Borough of Islington for Crossrail Act (2008) - Schedule 7 Permission for Development Development: Approval of Plans and Specifications for street furniture forming part of the urban realm for Farringdon Station Eastern Ticket Hall under Schedule 7 (paragraph 6) of the Crossrail Act (2008).

Drawing Nos: Consultation letter dated 19TH January 2017.

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

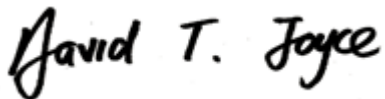

- 1 Reasons for granting permission.

The Council, as a neighbouring planning authority, has considered your request for observations on the application in relation to the street furniture forming part of the overall urban realm proposal for Farringdon Station Eastern Ticket Hall and hereby raises no objection.

Given the scale/nature of the approval of plans and specifications for street furniture, the site's planning history and its location away from any sensitive areas in Camden, (including major roads, conservation areas, listed buildings or residential areas), it is unlikely that there will be any significant impacts on Camden in terms of transport nor design within the borough.

It is therefore recommended that the LB Islington be advised that no objections are raised.

Yours faithfully
