The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

- 1 The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection. Due to the location of the proposal not being in any views and its location away from any sensitive areas in Camden (including major roads, conservation areas, listed buildings or residential areas), it is unlikely that there will be any significant impacts on Camden in terms of transport nor design within the borough. The application should be determined under LB Southwark's planning policies.

Yours faithfully
