Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:

Wembley National Stadium

Olympic Way

**Wembley,
HA9 0WS**

Proposal:

Proposed variation of condition 3 (event cap, to allow 31 additional full capacity events) and removal of condition 33 (temporary traffic management) of planning permission reference 99/2400, which was for the complete demolition and redevelopment of the old stadium to provide a new 90,000-seat sports and entertainment stadium, offices and banqueting/conference facilities.

Drawing Nos: Consultation Letter dated 31st January 2017

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Conditions and Reasons:

Informative(s):

- 1 The Council, as a neighbouring planning authority, has considered your request for observations on the application in relation to the proposed variation to condition 3 and the removal of condition 33 and hereby raises no objection.

As at the time of the original application (reference 99/2400), given the scale/nature of the variation and removal of the conditions, the site's planning history and its location away from any sensitive areas in Camden, (including major roads, conservation areas, listed buildings or residential areas), it is unlikely that there will be any significant impacts on Camden in terms of transport nor design within the borough.

Yours faithfully
