Your comments on the planning application

We write to support the conversion of the hotel at 23-34 Montague Street and the hostel at 27 Montague Street into residential accommodation in this location.

The conversion would provide much needed new accommodation in the area. As a local school, we often witness the difficulties our families have to find suitable housing in the vicinity, especially for those with young children who cannot use public transport to reach our school.

Planning Application Details

The proposed changes would, in our view, support the needs of families who could contribute positively to both our school and to the borough of Camden.
