Dear Mr. Gentel,

We spoke together yesterday 14th Feb
about the Planning Application
No 2017/0036/P for an Air Conditioner Unit
2017/0036/P on the roof of No. 1 Chamberlain St.
London NW1 8XB.

I live next door to No. 1. and

am very concerned about the noise which might come from this A/C unit. I have a bedroom/study on the top floor of my house and would strongly object to any "whirring" noise coming from the air-conditioner - neighbours have warned me of their unpleasant experiences with these units. In our quiet neighbourhood, especially at night, any constant machine sound would not be acceptable.

Thank you.

Yours sincerely,
