Subject: planning application 2016/5097/P

with reference to the planning application for the extension to 114 Fortune Green Road.NW6 1D

My property runs along the whole of the proposed extension ,in fact they would be only 3 feet from my house.

This not only gives them total view into my 2nd floor bathroom and toilet but also would block my light into

my kitchen window. I feel that it would be most unjust to impose such a large wall alongside my property.

I have lived at my address -50 Ingham Road NW6 1DE for 26 years and although many people have extended

into their roofs ,nothing like this has ever been proposed before.I feel that this is setting a precedent for future

planning.

I also notice that the applicant has not produced information proving that he is disabled and does not have any

problem in living up on the first and upper floors .

Yours sincerely Mrs Gillian Barber
