

Hi,

I'm writing as a Governor of Fleet Primary School regarding Planning Application 2016/5943/P (Bacton Low Rise).

Can you please advise the Planning Office for this application?

I have queries regarding the stated Traffic Management Routing (See: <http://camdocs.camden.gov.uk/HPRMWebDrawer/Record/6334599/file/document?inline>)

Namely:

- 1- the proposed plan states they will send lorries southbound down Fleet Road – this is the wrong way down a busy one way road?? (See Page 8)
- 2 – lorries removing demolition rubble will be allowed to operate from 09:00-17:00 Mon-Fri – this includes school drop off / pick up times (08:30-09:15 & 15:15-16:00) as they pass 4 schools (Page 10).

This has only recent been made aware to the Governors, Parents & Staff at Fleet Primary School, so would naturally like to clarify some of these issues.

Many thanks.

Kind regards,

Sam
