2017/0779/T	Councillor Sian Berry	Flat 4 165 Fortess Road London NW5 2HR	05/03/2017 13:37:06	OBJ	I wish to object to the removal of this tree. It's a mature tree that adds an awful lot to the protected green space and the views from Denyer House. I appreciate that it is in a constrained site and can't grow further, but I would hope with careful management it could be preserved at its current size and not replaced. Ash trees are so precious that this work should not take place unless there is imminent danger of the tree's death, which I do not believe to be the case.
