2017/1074/P	Elizabeth Fenner	35 Fairfax Place NW64EJ NW64EJ	07/03/2017 12:56:09	COMMNT	This site is going to suffer severe disruption due to re-building 100 Avenue Road, the Cycle Super Highway and, possibly, HS2. It may be reasonable to reconsider positioning.
2017/1074/P	Francoise Findlay Chairman Elsworthy Residents Association	1 Lower Merton Rise NW33RA	08/03/2017 01:06:06	OBJ	There is already a public telephone in this location and considerable street furniture and pedestrian and cycle traffic associated with the Avenue Rd/Finchley Rd crossing, tube access etc. There are three public phone boxes between 100 Avenue Rd and the library and two more on the other side of Finchley Rd. At a time when most people have mobiles the proliferation of public phones and the resultant street furniture seems superfluous. In addition the prospect of the demolition of 100 Avenue Rd and years of construction disruption plus cycle highway works make more clutter untimely.
