2016/5979/P	Richard Simpson for Primrose Hill CAAC		02/03/2017 13:09:32	OBJ	<p>ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Marley Street, London NW1 8LT</p> <p>15 February 2017</p> <p>8/8A St George's Mews NW1 8XL 2016/5979/P</p> <p>We object strongly to the loss of employment use. The whole of St George's Mews was included in the Article 4 Direction of 2015 in recognition of the importance of employment use in the conservation area. This is not only because of its importance in the historic development of the area, but also in its importance in maintaining the economic life of the area. Primrose Hill was never simply a residential suburb.</p> <p>We object strongly to the proposed rear roof terrace because of its potential for overlooking habitable space in houses in St George's Terrace.</p> <p>Richard Simpson FSA Chair</p>
