10. Demolition

Does the proposal include total or partial demolition of a listed building? Yes No

Which of the following does the proposal involve?

a) Total demolition of the listed building Yes No

b) Demolition of a building within the curtilage of the listed building Yes No

c) Demolition of a part of the listed building Yes No

What is the total volume of the listed building? m³

What is the volume of the part to be demolished? m³

What was the date (approximately) of the erection of the part to be removed? Month: Year: (Date must be pre-application submission)

Please describe the building or part of the building you are proposing to demolish:

To alter the basement of the existing building to repair damp throughout involving the lowering of the floor level of two front vaults, and replacing the existing slab with new damp proof treatment and insulation and to provide improved ventilation.
Installation of a new wc/shower room in a portion of the 2nd floor/aqttic space within the envelope of the existing building

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

There is rising damp coming into the basement along the walls and through the walls. There is damp generally coming into the existing vaults in the front.
Opening up the basement by removing a non structural wall and relocating the wc/utility room to the vaults in the front will provide better ventilation nad natural light to the space which is now a kitchen and family room.
