2016/7146/P	Johnny Green	5 Christchurch Hill	08/03/2017 10:56:24	OBJ	I cannot understand the selfishness of even having the audacity to submit such an application. The upheaval for all around will be significant for years, all so one applicant can add further value to their house. A house should be a home, especially given the existing problems we have with housing in London. If the person so needs the extra space, buy a bigger house but please do not cause massive disruption to all around. Please reject this application and all like it if it's going to cause harm to many people within your borough, such as this proposal would. Best wishes, Johnny Green
