2016/6359/P	Judith	Lawn mansions Gondar Gardens Nw 6 1 er	12/03/2017 22:58:49	OBJ	It is so important that commercial premises on Mill Lane are retained, and for businesses that will benefit local residents ( unlike a Vaping shop or tanning salon!) another cafe to replace the one that has closed, a restaurant, a bakery , a gift shop.
2016/6359/P	Adrian D'Enrico	Flat 1 69 Fordwych Road London NW2 3TL	08/03/2017 17:02:44	OBJ	Yet another disappointing value-engineered scheme to remove commercial space from Mill Lane to the benefit solely of the developer and to the detriment of all other existing residents in the vicinity. Formerly a real asset to the local community and an attractor of visitors to the area, the conversion to residential might provide a temporary fix and meet a purported demand for residential stock in the area, but the flipside of that is the (almost certainly permanent) removal of retail provision in the area. There is an increasing void of A1/A3 use between Kilburn Station, Cricklewood and West End lane - the very diversity that attracts people to the area is being diminished. There is prior evidence of retail to residential conversion in this area so I'm sure the application will sail through - but it's another loss to the vibrancy of the local area for the sole purpose of short-term profit.
