2017/0975/L	Ralph Bowmaker	12 Holly Village Highgate London N6 6QJ	08/03/2017 14:11:29	OBJ	<p>1. Holly Village is a grade 2 star listed building</p> <p>2. the gardens are included in the listings</p> <p>3. 2 Holly Village was given Listed building Consent by Camden Council for their front garden Boundary . (Application Ref 2013/2365/L)</p> <p>4. I oppose the application by 1 Holly Village. The garden boundary of 1 Holly Village should match the front garden boundary of number 2 Holly Village that was granted listed building consent in 2013 by Camden Council, this would ensure a balanced Victorian landscape to the entrance of Holly Village.</p> <p>5. The existing posts should be repaired.</p> <p>6. Under the Holly Village covenant fences Gates and paths are the responsibility of freeholders who meet twice a year to decide maintenance and repairs and collect funds from each freeholder</p> <p>7. According to advice from the Listed Planning Officer both front fences details of 1 & 2 Holly Village should be identical.</p> <p>8 Holly village was awarded listed building status in 1952 and the fence that was authorized for 2 Holly Village remains as it was then</p> <p>9 The application made by 1 Holly Village is inappropriate and it should be restored as it was in 1952 and match the fence of 2 Holly Village that was authorized by Camden Council planning (Application Ref 2013/2365/L) The fence should contain rusticated trellises no chains and no low metal mesh fence</p>
