2017/0819/T	Declan O'Brien	11 Croftdown Rd London NW5 1EL	08/03/2017 19:42:28	OBJ	From the outside, it would seem that it is indeed necessary to remove the tree that is pressing on the wall. However, I can't see any evidence of there being a problem with the second tree. Hence, I support the removal of one tree (with a suitable proper tree substitute planted in its place), but not the removal of the second.
