We at Highgate Road Chapel would seek reassurances that any subsequent problems to the Manse would be insured against. I would like to be notified of the committee date please.

Dear Planning Committee,

I strongly object to this beautiful ash tree being felled. I've lived at 6 Twisden Road for nearly 15 years, and the tree has been a constant source of pleasure for me. I see it from every room at the back of my house. The population density here is extremely high. Any signs of nature are welcome, and that tree breaks up the view of endless buildings. It no doubt also helps to improve air-quality in an area which suffers from heavy pollution. We should be preserving as many trees as we can rather than chopping them down. I strongly object to its destruction.

Yours Sincerely

Chris Gayford
