2017/0771/P	John	24 Kendal Court Kilburn nw23pd	08/03/2017 23:35:38	OBJ	<p>I object to these changes. This property was originally built in place of a grand house, and it has been replaced by bland and now dirty white individual HMO properties that are on the main road. These properties have become progressively worse in looks as time has gone by.</p> <p>This application will only further to increase the number of bland properties on the section and do nothing to improve the character and atmosphere of the area. The properties which were developed next door are an example of what could be done.</p> <p>Shoving three underground flats into a basement garage will do nothing to improve the quality of the area.</p>
