2017/0699/P	Graham Ford	11 Glenthorne Road Britannia House W6 0LH	08/03/2017 17:23:14	OBJ	<p>Planning Application 28 Ferncroft Avenue London NW3 7PH</p> <p>On behalf of my client, Mr Edward Azouz, the owner of number 30 Ferncroft Avenue, we would like to make an objection to the proposed planning application, reference 2017/0699/P.</p> <p>The proposed design of the rear extension shown on the rear elevation (FEA-P-300) with a 'squared off' roof replaces the existing glazed roof with hipped ends. This change will cut out sunlight in mid summer, in the late afternoon to the living spaces of number 28 Ferncroft Avenue. The proposed structure will also obstruct daylight during the year.</p> <p>We would also like to note that the construction of this rear extension several years ago had a significant impact on both daylight and sunlight to the residents of number 30 Ferncroft Avenue.</p> <p>Graham Ford Graham Ford Architects RIBA/ ARB</p>

This change will cut out more sunlight in mid summer, in the late afternoon to the living spaces of number 30 Ferncroft Avenue. The proposed structure will also obstruct daylight during the year.</p> <p>We would also like you to note that the construction of this rear extension several years ago had a significant impact on both daylight and sunlight to the residents of number 30 Ferncroft Avenue.</p> <p>REVISED DRAWINGS</p> <p>We received the revised drawings, ref FEA-P-300 rev A and FEA-P-200 rev A on the 08/03/2017 showing an amended roof shape. If the original design was substituted for this revised design then we would have no objection to this application.</p> <p>Graham Ford Graham Ford Architects RIBA/ ARB</p>
