2017/0562/P	Peter Wilkins	Flat 4 Coram Mansions 64-68 Millman Street WC1N3EG	09/03/2017 19:55:23	COMMNT	Please clarify the light fitting types within the cycle store. It appears that the cycle store is open to the sky therefore how will the use of lighting be controlled within the cycle store to avoid stray light disturbing neighbouring properties?
