

Design And Access Statement for the proposed works to
Apartment 5.33
St. Pancras Chambers
Euston Road
London NW1 2AR

Discussion

The works relate to cosmetic alterations to the internal fabric of apartment 5.33. None of the proposed works will require any alterations to the original features or fabric of the structure.

The internal works are generally decorative, replacing updating bathrooms and kitchen.

Lighting and water tank replacements.

None of which interferes with the original fabric.

Access as existing - no alterations
