Outside 3 Northways Parade, Finchley Road, London NW3 5EN

Dear Mr Gracie,

Thank you for consulting TfL on this application to install a Link Unit following removal of a BT telephone kiosk

TfL have the following comments:

- The site is located on the A41 Finchley Road, which forms part of the Transport for London Road Network (TLRN). TfL are the highway authority for the TLRN.
- Provided the applicant's suggested conditions are secured on any consent and the existing kiosk is removed as part of the works, TfL has no objections to the proposals.
- It is suggested that the applicant discusses with TfL the removal of the bollard adjacent to the existing kiosk and the proposed new facility.

I hope this is useful and please contact me if I can be of any further assistance.

Regards
