| 2017/1097/P | Marchmont Association | 62C Marchmont Street WC1N 1AB | 13/03/2017 11:45:56 | OBJ | The Marchmont Association objects strongly to the siting of another telephone kiosk so close to an existing unused kiosk with several other redundant (BT & Arqiva) kiosks a few metres away in Guilford Street. This proposed kiosk will create additional street clutter on a busy tourist route and will reduce sight lines for pedestrians using the street. BT is systematically de-commissioning its telephone kiosks in this area, because they are redundant. |
