Re: 2<sup>nd</sup> Application of works to the rear of 3-4 South Square

Please find enclosed information based around the original planning request of changing a window to the rear of 3-4 South Square. We initially put the planning request forward in 2015 [REDACTED] I believe that we are just within the 12 months in which this can be re processed without incurring another fee.

I believe that all the necessary information is included in this pack but please do get in contact if there is anything else required. [REDACTED]

Yours sincerely
