Ref: Conflict of Interest Re: 2016/1345/P.

Dear Planning Committee

28 Charlotte Street contains the Rebecca Hossack Gallery on the ground and basement levels.

28 Charlotte Street is owned by Damon Heath the applicant of the development of 28 Charlotte Street London. Camden Planning Application Ref 2016/1345/P.

I would like to know what members of the Planning Committee have attended Rebecca Hossack Gallery for events and opening functions and have met with Damon Heath on a social basis.

Also members of the Planning Committee will have to declare if they have been canvassed by Mr Damon Heath in relation to this application.

If this has occurred then these members will have to excuse themselves from a vote on the application 2016/1345/P as a conflict of interest.

Kind regards

Edward Aydin
