In light of the report by SDStructures Ltd., and, having so far failed to comply with Condition 31, neither Camden Council nor London Underground Ltd. can justify approval of Essential Living's Application no. 2016/6699/P. I urge that the Application be rejected forthwith.

With all the families and children who spend time in the local area and on the underground, we cannot put their safety at risk thorough unprepared development.

Many thanks

Dear Michael

Application no. 2016/6699/P – 100 Avenue Road

Further to the above, I would like to object to the application's request for permission for early demolition. In light of the report by SDStructures Ltd and having failed to comply with Condition 31, neither Camden Council nor London Underground Ltd can justify approval of Essential Living's latest application.

I trust this objection will be logged accordingly?
