Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
42 St Alban's Road
London
NW5 1RH

Proposal: Erection of single storey rear and side extension.

Drawing Nos: TRS062_EX_000; TRS062_EX_001; TRS062_EX_002; TRS062_EX_003;

10/02/2017.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies, and policies D1 and D2 of the Camden Local Plan Submission Draft 2016.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans TRS062_EX_000; TRS062_EX_001; TRS062_EX_002; TRS062_EX_003; TRS062_EX_004_Site; TRS062_P1_101_Rev. A; TRS062_P1_102; TRS062_P1_103; TRS062_P1_104_Rev. A; Design & Access Statement 10/02/2017; Planning Statement 10/02/2017.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 No part of the flat roof area above the single storey rear and side extension hereby approved shall be used as a roof terrace, and any access out onto this area shall be for maintenance purposes only.

Reason: In order to prevent any overlooking of the neighbouring occupiers in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies, and policy A1 of the Camden Local Plan Submission Draft 2016.

Informative(s):

- 1 Reasons for granting permission.

The proposed extension would be full-width and would wrap around the two storey rear addition, extending 3.0m from the rear addition and 3.9m from the main rear building line. The extension would be constructed in red brick to match the host building, but the fenestration details would be of a contemporary style with the inclusion of steel framed crittall style windows to the side and folding doors to the rear.

Whilst the proposal would be partially visible from St Alban's Road over the existing side boundary fence, it would replace an outbuilding of a greater height and bulk, and it is considered that the extension overall would remain subordinate to the host building in terms of design, form and scale. Overall, the proposal would respect and preserve the design and proportions of the original building and the character and appearance of the Dartmouth Park Conservation Area.

The proposed ground floor extension would not give rise to any unacceptable

adverse impacts on the amenity of neighbouring occupiers in terms of loss of daylight, sunlight, outlook or privacy.

The proposed development would allow for the retention of a reasonably sized rear garden.

One objection was received prior to making this decision and duly taken into account. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies, and policies G1, A1, D1, D2 of the Camden Local Plan Submission Draft 2016. The proposed development also accords with policies of the London Plan 2016 and of the National Planning Policy Framework 2012.

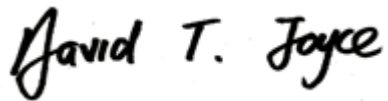

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 4 The emerging London Borough of Camden Local Plan is reaching the final stages of its public examination. Consultation on proposed modifications to the Submission Draft Local Plan began on 30 January and ends on 13 March 2017. The modifications have been proposed in response to Inspector's comments during the examination and seek to ensure that the Inspector can find the plan 'sound' subject to the modifications being made to the Plan. The Local Plan at this stage is a material consideration in decision making, but pending publication of the Inspector's report into the examination only has limited weight.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
