Good Morning,

I object to these planning applications as they may be abused for the purposes of crime and ASB (Anti-Social Behaviour).

There will be a reduction in surveillance of the area. An offender may use this telephone kiosk to avoid CCTV, or casual surveillance from other users of the street.

A telephone kiosk may provide an opportunity for an offender to loiter in the area.

This kiosk may also be abused, by the posting of prostitute cards.

regards Adam Lindsay

Subject: Planning applications. Request for comments. Installation of 1 x telephone box x 46 applications

Dear All,

We have received 46 x applications (GPDO prior approval) for 'Installation of 1 x telephone box' in various location throughout the borough.

Rather than consult you on each of these individually I thought I would send you the list in an e-mail. Please see the attached excel spreadsheet for all application references and site addresses.

3 x officers shall be dealing with these based on general areas. Officer names are on the spreadsheet and cc'd to this e-mail.

We are in the process of validating and registering the application at the moment, but I have attached a full set of supporting information received with one of these applications types, apart from site address information, all of them are the same. Full documents for all sites shall be available to view online as usual shortly.

We would appreciate it if you could provide comments for these applications. I understand that your comments may be duplicated for each site, hence this e-mail. We are more than happy to receive 1 comment to cover all applications. Should there be any specific concerns relating to any sites, please let us know?

Should you have any general queries, please contact any of the officers cc'd. If your enquiry relates to a specific site, please contact the appropriate officer from the spreadsheet.

FYI – because of the nature of these GPDO prior approval applications we must provide decisions within 56 days of receipt (21/02/2017), otherwise consent is deemed approved. Therefore we would appreciate comments asap.

Kind regards,
Matthew
