Like only written dimensions. All dimensions must be verified prior to the works being put into hand and any discrepancies reported to the originator.

Health and Safety Information

| Details | Date | Initials |
|---------------------------------------|------|----------|
| Activities Survey | | |
| Structural Check / Lifting & Handling | | |
| Site Survey | | |
| Access and Egress / Site Compound | | |
| Hazards Identified | | |

General Notes

Drawings are indicative, to be used as a computer representation of the layout only.

The contractor is responsible for ensuring that the room dimensions are correct, the final measure, templating and installation of the kitchen, inclusive of any infill panels and plinths where required.

Please consult the drawing for the list of items currently included.

Any changes to the indicative layout and worktop templating are to be agreed with the project manager prior to production.
