

The technical drawing illustrates a double-glazed window assembly. The top view is a cross-section showing two glass panes, each 100 units wide and 48 units high, separated by a 3-unit gap. The panes are held in place by a central weather seal and are surrounded by a 5-unit wide frame. The bottom view is an elevation showing the window's profile, with a total width of 100 units and a height of 30 units. The assembly includes 6mm laminate glass, putty, and a weather seal. Dimensions are provided in millimeters (mm) and inches (in).
