To Whom it may concern,

I have been asked to contact you to gain permission to fell a Cherry tree which appears to be in poor health in the Camden Borough (please see attached pictures). The tree is located along the west boundary of the rear garden of:

44, Aberdare Gardens

NW6 3QA

The owners of the property would like to gain permission for removal so that they can re plant with something suitable.

If there is any reason why we cannot proceed with the proposed works (after the 5 day notice period) could you please let me know.

Best wishes,

Tom Adams
