Subject: 2016/6495/P, Cyclone House, 27-29 Whitfield Street - OBJECTION

Dear Tania Skelli-Yaoz

Please find enclosed the objection by BRAG (Bloomsbury Residents Action Group) in support of residents concerned with the proposed development at 27-29 Whitfield Street, which will undoubtedly impact negatively on residential amenity due to overlooking and loss of privacy.

It will also cause harm to the conservation area by virtue of its excessive scale and bulk.

Kind regards

Debbie Radcliffe
