#### Informative(s):

- 1 This approval of details application is to clear details of lighting, staircases, suspended ceilings, upgrading for building regulations works, floor upgrading and damp proofing required by conditions 4; a, e, h, j and 10 of listed building consent 2016/5937/L- dated 22/12/2016 (for internal alterations to plan form at all levels, reconfiguration of internal stair, removal of floor covering and insertion of replacement concrete slab at the lower ground floor level, introduction of damp proofing and insulation works and addition of railings to east elevation. Underpinning and associated structural works).

It is considered that the details submitted are sufficient to appreciate the works involved with the above are in keeping with the principles of the overall consented proposal. No harm is caused to the special interest of the Grade II listed building.

No public consultation was necessary for this approval of details application. The site's planning history was taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies, and policies D1 and D2 of the emerging London Borough of Camden Local Plan. The proposed development also accords with policy 7.8 of the London Plan 2016 consolidated with amendments since 2011, and paragraphs 14, 17 and 126-141 of the National Planning Policy Framework.

- 2 You are reminded that conditions 4b, d, f, g, i, 5-9 of listed building consent 2016/5937/L are outstanding and require details to be submitted and approved

- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, 5 Pancras Square, London, N1C 4AG (tel: 020-7974 6941).
- 4 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, 5 Pancras Square, London, N1C 4AG (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 5 The emerging London Borough of Camden Local Plan is reaching the final stages of its public examination. Consultation on proposed modifications to the Submission Draft Local Plan began on 30 January and ends on 13 March 2017. The modifications have been proposed in response to Inspector's comments during the examination and seek to ensure that the Inspector can find the plan 'sound' subject to the modifications being made to the Plan. The Local Plan at this stage is a material consideration in decision making, but pending publication of the Inspector's report into the examination only has limited weight.
