2017/1026/P	Eric Stuart	68A Neal Street London WC2H 9PA	21/03/2017 13:28:39	COMMNT	I strongly object to the installation of a public call box at this location. The proposed public call box would add to street clutter and presents a safety hazard as it obstructs the flow of pedestrian traffic in an area of high pedestrian and vehicle traffic density. There is no need for public call boxes in this location – existing public call boxes nearby are only used as a shield for drugdealing/using and other anti-social behaviours, and are never used for their intended purpose as virtually all UK residents and tourists carry mobile phones.
