

STORAGE OF RECYCLABLE AND NON-RECYCLABLE HOUSEHOLD WASTE:

Refuse bin store with a total of 14 no. 1100L Euro bins for waste & recycling providing a minimum volume of 15400 litres.

Based on a once weekly collection the BS 5906 and code for sustainable homes recommends a minimum volume of 100L for a single bedroom dwelling with further 70 litres for each additional bedroom. ie 170 litres for a 2 bed dwelling and 240 litres for a 3 bedroom dwelling

- 14 no. 1 bedroom apartments
- 27 no. 2 bedroom apartments
- 19 no. 3 bedroom apartments
- Total = 60 no. apartments

Due to restricted site access for refuse vehicles, all bins will be brought to the site entrance on collection day by a building manager. Once emptied, the bins will be returned to the store.

The store is 24m from the road.
