2017/1095/P	Jeff Claxton	Flat 18 Russell Square Mansions, 122 Southampton Row London WC1B 5AE	31/03/2017 16:57:53	OBJ	<p>I wish to object to this application on the basis that it will impact the flow of pedestrians and therefore reduce public safety.</p> <p>I also wish to object as there is no requirement for a phone box. The phone boxes nearby are very lightly used and this application is clearly a ruse to abuse the planning process and get advertising space.</p> <p>Consequently, I ask that this application is rejected.</p>
2017/1095/P	Eric Stuart	68A Neal Street London WC2H 9PA	21/03/2017 13:15:20	OBJEMAIL	<p>I strongly object to the installation of a public call box at this location.</p> <p>The proposed public call box would add to street clutter and presents a safety hazard as it obstructs the flow of pedestrian traffic in an area of high pedestrian and vehicle traffic density.</p> <p>There is no need for public call boxes in this location – existing public call boxes nearby are only used as a shield for drugdealing/using and other anti-social behaviours, and are never used for their intended purpose as virtually all UK residents and tourists carry mobile phones.</p> <p>Furthermore, the proposed development would have a negative impact on the Seven Dials (Covent Garden) Conservation Area.</p>
